

Financial Aid Program at Lander-Grinspoon Academy 2024-2025

Education is one of the most important commitments parents make to their children. Its value extends far beyond the classroom, shaping a child's experience and identity throughout their lifetime. LGA hopes that our families see the tuition as an investment in the future.

LGA is deeply committed to fairness and equity, and to making our unique educational experience affordable to all families. Financial aid is determined by the LGA Financial Aid Committee, which meets every year to determine aid awards for the upcoming year.

LGA takes a number of factors into consideration in determining this award, including a FACTS application and individual circumstances that may not be captured via FACTS.

The confidentiality of a family's personal and financial information is important to us. The forms and supplemental materials shared with LGA are held in strict confidence.

The following ranges provide a general picture of the assistance available. Actual tuition is based on each family's unique financial circumstances and will be set in partnership with LGA.

Modified Household Income (Adjusted Gross Income +/- adjustments for qualifying items)	Annual Tuition & Fees for 2024-2025
Up to \$100K	\$3,000-10,000
\$100-220K	\$8,000-17,185
Above \$220K	\$17,185

This year's Financial Aid deadline is January 25, 2025. The initial award letters will be going out by March 3rd, 2025.
